WITNESS STATEMENT — Corey Lindqvist

Case #: 26-014872 **Witness:** Corey LINDQVIST, age 27 (patron) **Taken by:** Det. R. Salas #207 **Date:** March 15, 2026, 0120 hrs **Format:** Q&A, summarized verbatim

---

Q: Where were you sitting?

A: Down at the end of the bar, the far end by the wall. I was on my phone mostly, having a beer by myself.

Q: Did you see the argument?

A: Yeah. These two guys were going back and forth and it got heated. It moved over toward the pool table area.

Q: What did you see happen?

A: I had a clear view of the whole thing. I looked up and I could see both of them plain as day. The other guy — the one who got shot — he had his hands up. He was backing away. He wasn't coming at the shooter, he was trying to get away from him.

Q: You're sure his hands were up?

A: Positive. Hands up, stepping back. And the other guy just stood there a second, like he was thinking about it, and then he raised the gun, aimed, and fired. He didn't have to shoot. The guy was backing off.

Q: How was the lighting where this happened?

A: Fine. I could see everything clearly. It's a bar, but I had a good look.

Q: How far were you from them?

A: I don't know, across the room. But I could see it.

Q: How much time passed between the man backing away and the shots?

A: Enough that the shooter could've stopped. He waited, he aimed, and then he pulled the trigger. It wasn't a reaction. He decided to do it.

Q: Did you see a weapon on the man who was shot?

A: No. His hands were empty and they were up. That's what I keep telling you.

Statement read back and affirmed by witness.
